

CBC Reopening Plan

April 30, 2020

Phase I

Timeline: When Lancaster County gets moved to the “Yellow Phase” in the PA Reopening Plan.

Life Groups:

Encouragement of Life Groups of up to 25 to start to meet in homes or at church.

Junior High and Senior High Youth to begin to have small group gatherings of 25 or less in homes.

Anchored to begin to have small group gatherings of 25 or less in homes.

Encourage adopting a “hybrid” model (in person groups with a digital video access for those who are not ready to participate) where possible.

Mitigation:

Group members are encouraged to practice PA Health and CDC recommendations.

Group members are required to stay home if they are experiencing any symptoms of sickness.

Group members who are immunocompromised are encouraged to stay home and participate through digital means.

Phase II

Timeline: When Lancaster County gets moved to the “Green Phase” in the PA Reopening Plan, in keeping with their suggested limits on the size of gatherings.

Life Groups:

Will continue to be encouraged to meet in homes or at CBC.

Encourage adopting a “hybrid” model where possible to include those who are not ready to participate.

Worship Service:

The restarting of corporate worship gatherings in keeping with the PA Health and CDC suggested limits on the size of gatherings. How this will look will be dependent on the number of people allowed in a single gathering. The CBC staff is working on several contingency plans to allow for worship gatherings to start depending on how large of a gathering is allowed.

The CBC Staff are preparing now to continue to provide high quality Livestreaming of our services for those who are not yet ready to participate in our corporate worship gatherings.

Children’s Ministry:

This will be evaluated closer to the time. Children’s Ministry is currently doing a review of best practices based on current PA Health and CDC recommendations.

Mitigation:

Same as in Phase I.

Phase III

Timeline: As soon as our authorities allow.

A return to full onsite worship services, Life Group gatherings, and Children's Ministry.

Other Notes:

1. Our Facility crew will be reviewing all cleaning and sanitation practices and making changes as appropriate.
2. Interior doors will be propped open for our onsite gatherings, wherever possible.
3. Additional hand sanitation stations will be added at strategic locations within the building.
4. York County may go to "Yellow" before Lancaster. In that case, York County Life Groups could begin to meet earlier than Life Groups in Lancaster County.
