Dear CBC Family,

In the last 72 hours, we have been made aware of several individuals within the CBC family who have tested positive for COVID-19 and several more who have symptoms and are waiting for test results.

Because of this, the elders have decided to suspend all in-person ministries for the next two weeks effective immediately. This includes, but is not limited to, our worship services, Youth and Children's Ministries, and Life Groups.

We will continue to live-stream our worship services for the next two Sundays (November 15 and 22) at 9:30 a.m.

The Church Office will have minimal staff coverage from 9:00 a.m. to 3:00 p.m., Monday-Friday with most staff working from home.

We want to be clear that this is not a reaction to what we are hearing in the news. We are taking this action because of actual COVID-19 cases within the CBC family. If you have any symptoms, we encourage you to speak with your doctor and to self-quarantine.

We will post updates on Realm as we continue to navigate this situation.
