June 14-19 Student Body

Wayumi trip for students who have completed 9th grade. Wayumi has canceled all June trips. We are looking into rescheduling in July. More information to come soon.

June 15-19 CBC Kids

We are replacing VBS with Backyard BOLT. After months of virtual learning, many kids are already experiencing screen-fatigue. With that in mind, Backyard BOLT has struck the perfect balance between video content and in-person games and activities. And best of all...It's so simple! With minimal preparation, easy to follow instructions, and a video that leads kids step-by-step through each day, Backyard BOLT is the perfect yellow phase solution for your family and friends. On June 15, there will be a Kick Off event at the church where you can pick up supplies (snacks not included) and get excited about this three day experience!

June 15-19 TNT

We will continue to have the 24/7 summer trip for the 7th grade students in TNT. However, it will look different than what was originally planned. The week will still consist of Bible study and devotional time as we look into what it means to be a follower of Jesus 24/7. We also will get a glimpse into God's heart for all people to know Him, a core way we hold up Reaching Out here at CBC. On top of that, we'll be doing local outreaches and service projects in the community. Please note that we will not be staying overnight at the church during the week.

June 27 – July 3 Student Body

James Project at Arrowhead Bible Camp is for students who have completed 10th grade. We are still planning to move ahead as originally planned. We will let you know if anything changes.

13-18 TNT

We will continue to have a summer trip for the 8th grade students in TNT. However, it will look different than what was originally planned. Unfortunately, due to the present circumstances, we will not be able to take the eighth graders to Philly this year. We will however plan to do a local trip similar to that of Philly during the same week. The week will consist of Bible study in Acts, Jonah and other key missions passages as we take time to look into what God's desire is for the nations, namely that all will worship Him. This is a core way we hold up Reaching Out here at CBC. On top of that, we'll be doing local outreaches, evangelism and service projects in the community.

July 19-24 CBC Kids

We are currently still planning on having Jr Camp. We will need to be in the green phase of the reopening plan without wearing masks and social distancing.

July 30 – August 2

Operation Wilderness (sixth grade) is still planning to move ahead as originally planned. We will let you know if anything changes.

August 4-7 TNT
