

LAST DAYS PROPHECY - 5.26.19

It's your day, the Lord says. It's your day. It's the one I chose for you. It's what I had planned for your life before the earth was ever even created. I destined you for this day. You're here on purpose I planted you here. I tell you, you can be supernaturally used by Me, and you can flow in the gifts of the Spirit, and you can let Me use you supernaturally if you'll simply desire to do so. You will never qualify by your own merit of effort but simply a heart hungry to walk with Me. Because if your heart's desire is to walk close to Me, you are certainly not going to chase the things of this world. You will remain that vessel of honor prepared for Me, the Master, that I can flow through and use supernaturally.

The decision is yours I can't make it for you; but for every child of God that I have birthed and brought new life to on this earth in this day who will not choose to desire Me, who will not choose to yield to Me; they're literally hindering My ability to work in this earth because I've chosen to work through My church. But I know those who desire to, they'll be ready, they'll be prepared. I give you the most important word for your life tonight, stay hungry for Me, stay hungry for Me! That doesn't mean you're not going to miss it at times, but if your heart is set on Me you'll know it and you'll instantly desire to turn and get back in position where you know you need to walk with Me. Don't ever let your heart drift away, don't allow yourself to be satisfied with anything in this earth, not even relationships.

May all those things I have brought about in your life, be a blessing to you but never satisfy you. There's only One thing that can, I AM HE! The, I AM is the One who will satisfy. You're never going to be fulfilled, you are never going to be satisfied until your heart is completely set on Me... But, for those of you that will do so, you will be My mighty warriors on this earth. You will be conquerors!

I decree to you in Jesus Name, it will begin quicker than you know and I'll begin to move upon your heart and you'll recognize My Spirit, who will begin to nudge you and show you where I want to use you, who I want you to talk to, who I want you to reach out to, where I want you to go. Just obey Me! How you ask? Just stay hungry for Me! You won't have a problem obeying Me and as you do supernatural things will happen. Some of you will see the dead raised, others miracle healings, some that

have never been seen before. Bodies transformed right before your eyes, totally made brand new. Restored and whole by the miracle power of My Spirit, and the healing that will be manifest in you as I manifest My faith upon you.

So don't say, "How do I do this Lord?" You're not going to have too. I'm going to do it through you, you're going to let Me use you. All I ask tonight is, "Will you be My vessel? Will you be the one to let me flow through you, will you do that?" Stay hungry church, stay hungry for Me; because if you don't, your adversary has the ability through desires of your old fleshly nature to just draw you away so easily without even knowing...but, he can't do it not if you stay hungry for Me. Because you will see clearly when he tries to do so. You'll know none of these things satisfy only God does. And I decree to you church, that if you'll stay hungry for ME it is going to happen and again it's going to happen sooner than you think. So be ready, be ready the moment you walk out these doors tonight be ready. And everyday, let Me know, "Lord, I'm Yours You use me however you desire to today. Hallelujah...Thank You Lord...Thank You Lord!
