RUN

If you like to challenge yourself with other runners and have a blast doing so, then this is the event for you. Challenge yourself and support the Gospel being spread around the world.

WALK

For those who are not into the "race" aspect of a 5K, we invite you to come and have a healthy walk with us, raising funds for a great cause!

HAVE FUN

There will be some people who are not walking or running that will just be coming to show support and have some fun and fellowship. We encourage you to come and bring friends!
