Happy April!

All month long we will be learning about Easter. We are going to be asking four questions this month: 1. Did you know we can love Jesus more than anything? 2. Did you know Jesus is king of everything? 3. Did you know Jesus is alive? 4. Did you know we can trust Jesus? These may seem like really easy questions, but I want to encourage you to take a moment to really think about your answer to each one. Take it deeper with some follow up questions: 1. How do I show that I love Jesus more than anything? 2. If Jesus is king of everything, does my life reflect that? 3. Do I live like Jesus is alive? 4. Is there anything in my life that I might not be fully trusting Jesus with?

**Have conversations with your kids around these questions. Help guide them and give them practical ideas on how they can live out their faith.**

A 4-WEEK SERIES FROM THE NEW TESTAMENT ON EASTER

### SERIES OVERVIEW:

Did you know that the largest Easter egg in the world lives in Vegreville, Canada? Did you know that the most popular Easter candy in the world are Reese's Peanut Butter Chocolate Eggs? There's a ton of fun trivia around the theme of Easter but the best questions to ask kids are about Jesus. **Did you know we can love Jesus more than anything? Did you know Jesus is king over everything? Did you know Jesus is alive? Did you know we can trust Jesus?** Whatever their answer, invite kids to go beyond the facts and win the grand prize of knowing Jesus for themselves!

**Friday, April 15th, from 6:30pm-8pm we will be hosting an all-church Good Friday Service.** This service is for EVERYONE, families included.

It's more of an open house style where you will come into the worship center, read a short devotional with scripture about Jesus' sacrifice and then take communion together with your family. This is self-led (other than communion in which the pastoral team will assist) and you and your family can take as little or as much time as you need walking through the devotional and praying together.

“I've always had a special place in my heart for children and especially those with "special needs." Their innocence of understanding how much they are LOVED BY JESUS is heart warming!

### Volunteer Spotlight:

**Meet Karen Klemm**, she is a leader in the nursery and also serves as a one-2-one buddy within our special needs program. Karen is a 62 year old "Oma" of 7 grand-blessings. She was born in Louisiana and moved to Michigan with her family (5 siblings) in 1971. She's lived here in Saline for the past 50 years and has worked in the hospitality and administrative industry all her life. She met her now husband, Tex, at Liebherr in 1995 where they worked together until 2013. In 2013, Karen decided to stay home and care for their new grandbabies and is now extremely involved in their lives. Ted and Karen married in 2007. She has two biological adult sons and one step-son. Her sons both have exception wives and are very involved in their church. Ted has been a blessing in our lives and welcomed my son and grand-blessings with open arms. Our son, Jonathan life in Florida with his girlfriend. Karen says her greatest achievement is her family, which are all God-given. She says she thanks God every day for the blessings He's given her and her family.

**When it comes to serving, Karen says that she has always had a special place in her heart for children, especially those with special needs.** Their innocence of understanding how much they are loved by Jesus is heart warming. She looks forward to continuing using her gift of 'service' in the "Special Needs" ministry and with the little ones in the Nursery, when she can. Her youngest grand-blessing is almost 6yrs old now and Karen says she is in need of her "Baby Fix" whenever she can get it.

We LOVE having Karen on our team. Her passion for caring for our littles and our care she shows her need is simply incredible. We appreciate all the love and care she shows her kids and their families. Make sure if you see her around a Sunday morning that you introduce yourself!

We are still looking for several positions to be filled! While we have been SO excited to add a few new people to our team, we are still needing a few more to complete the team. The positions listed above are available for both services. We would love for you to join our team!

We recognize that not everyone can or wants to serve every single week so we are offering more options for those willing to serving. **We will have once a month, biweekly, and weekly options** from here on out so that we can gain more volunteers on our team. We also have some behind the scenes prep volunteer work available as well for anyone interested.

If you're willing to step in and serve, you can **text FMAPPLICATION at 734.922.5327 or email me** and we will see what position and schedule works best for you! [ashley@keystonechurch.us](mailto:ashley@keystonechurch.us)
