

KEYNOTES

Keystone Church Family,
Here's what's going on for the week of July 25...

Welcome Guests!

Welcome! We're excited that you're here!

Just because you're visiting a church we think you shouldn't have to disconnect from things you enjoy, music you like, or your intellect or sense of humor. Rather, we feel worship is an opportunity for you to refuel spiritually by connecting with God through singing, prayer, and a teaching from the Bible that applies to your life. We're glad to have you with us, whether you join us [online](#) or [in person](#).

If you would like to connect with us or would like more information about Keystone, click the button below. We'd be happy to answer any questions you may have.

Keystone Pastoral Search Team

Our Pastoral Search Team was introduced last month. Please continue to be in prayer for them. The team consists of: Trish Crigger, Walter Church, Austin DesAutels, Renee McClure, Dougal MacNaughton, Randy Pistor, and Megan Walker. Please pray for the Pastoral Search Team, the church staff, and the entire transition process in the coming weeks and months.

We must also ask that everyone respect the confidentiality requirements incumbent on the search team members as they interview potential candidates and refrain from asking them the specifics about who they are interviewing during this process. Thank you!

Join Us Today As We Finish Our Series...

Stories are powerful. Stories move us, persuade us, teach us. And Jesus was the greatest story teller ever. Whenever he taught, he always told stories. We call them parables. In this series, we're going to look at some of the greatest stories Jesus told and what he was trying to teach us in his parables and what they mean for our lives today.

Join us in communion from home with any bread or crackers and juice you have on hand. Our worship experience will be **live online at 10:30am**. You can find us at: www.keystonechurch.us/live or www.facebook.com/keystonechurch.saline
