God's Word Shines Forth

Your word is a lamp to my feet and a light to my path.

Psalm 119:105

We are grateful for the Word of God, for it serves to guide us on the journey of life! God's Word is true. We can always count on Scripture to help light and lead us on our way.

Whether we need consolation or challenge, confirmation or clarity, the Word is always available to us. If we steep ourselves in its wisdom, it can be a shining beacon for us that keeps us from traversing in dangerous waters.

As we immerse ourselves in the Word of God, we are transformed to be a light for others. When we listen to God's Word and allow it to lead us, we become more faithful followers of Jesus and we bear witness to God's truth here on earth.
