Week 1 | February 7-13

Let's pray this week asking God to help us return to normal in our worship and lives as we desire live for Him. Just as Haggai told the Israelites to "Consider your ways?", let us do so as well this week.

- Pray for increased Spirit-filled worship at Canaan.
- Pray for God's wisdom and divine guidance to lead the search team to our much-needed Worship Pastor.
- Pray for God to set the priorities in your life to focus on Him.
- Pray asking God to search your heart for sin and make our hearts right towards God.
- Ask God to stir the hearts of his people to His work in increased ways and numbers.
- Thank God that He says just as he did to Haggai "I am with you", declares the Lord.

Week 2 | February 14-20

Let's pray together this week for God to Encourage us just as God said to Haggai to His people, "take courage declares the Lord and work for I am with you. As for the promise which I made you when you came out of Egypt, My Spirit is abiding in your midst, do not fear!"

- Pray for encouragement for marriages as Canaan to be strong and god-centered.
- Pray for encouragement for the youth and next generation to have a heart to run after God.
- Pray for encouragement for our Pastors that they would be Spirit-led in action and word.
- Pray for encouragement for each member of the church to feel the Holy Spirit abiding in their midst.
- Pray for encouragement for those who are single or widowed to be faithful in their service to the Lord.

Week 3 | February 21-27

Let's pray together this week for faithful followers and God's Kingdom growth. Let's be reminded that being a follower and going to or watching church does not make us Holy. We must be faithful to obey the Lord just as Haggai told God's people.

- Pray for God for boldness in your faith and that of your family. If you are the head of the home, ask God for amazing boldness to lead your family.
- Ask God what Kingdom growth ministry or work He would have you be faithful to this year.
- Pray for your lost family, friends, those 'neighbors' in our city that need Jesus.
- Thank God for His faithfulness to us.
- Ask God where you need to grow in faith this year.
- Pray for revelation of Truth, dreams, and visions of Jesus for those following false religions like Islam, Buddhists, Hindus, Witchcraft and more.

Week 4 | February 28-March 6

Let's pray this week about the HOPE we have in Christ, as the Lord declares in Haggai 20:23 – "I have chosen you", declares the Lord.

- Praise God for His salvation plan through Jesus Christ alone.
- Pray boldly asking God to use you in His plans.
- Praise God that He is Sovereign, that His plans will be accomplished.
- Ask God to help you trust in His perfect timing and give us the strength and patience to wait.
- Pray and ask God that the HOPE you feel will radiate out and through you at work, at school, and everywhere.
