Honor Still Matters

James 3:13-18

1. What is the difference between respect and honor? How have you honored someone recently?
2. Is bitterness literally demonic as James wrote in Verse 15, or was he exaggerating to make a point? If so, what is that point? If he was being literal, what does that imply about holding on to old wounds and grudges?
3. Which of the proofs of an honorable life listed in Verses 17-18 do you sense the Holy Spirit urging you to work on right now?
