### MISSIONS NEWS

On Wednesdays, Pastor Rob, and his team, minister to 100 H2A workers: ESL classes, Bible devotionals, refreshments and relationship building. In November a small team will travel to Oaxaca, the most covid-infected area in Mexico. While visiting the villages of these H2A workers, health and basic supplies will be left for the people. The mission council wants to prepare at least 150 crisis care kits for this trip. Join this outreach by filling a bag. Look for the Mission Council on Sunday!

### Trapped in an addiction?

Addictions are very real and hard to deal with. We are offering the Freedom from Addiction class for it is possible to be free! With Covid restrictions the class will be offered

online by Zoom. Starting Tuesday, August 18 at 6:30, we will meet for 7 weeks. If interested call LaVonne 391-0133. If Zoom is something you are unable to do please call me anyway. I want to help in any way I can.

\*One participant said the following about the class. "I was trapped in meth for years. I went through rehab more than once. I took the Freedom form Addiction class and I have been free from meth for 3 years now."
