MISSIONS NEWS

On Wednesdays, Pastor Rob, and his team, minister to 100 H2A workers: ESL classes, Bible devotionals, refreshments and relationship building. In November a small team will travel to Oaxaca, the most covid-infected area in Mexico. While visiting the villages of these H2A workers, health and basic supplies will be left for the people. The mission council wants to prepare at least 150 crisis care kits for this trip. Join this outreach by filling a bag. Look for Mission Council on Sunday!
