Laurel Ridge Church Worship and Tech Team Qualifications

A general list of qualifications required of worship and tech team participants...

1. Committed to Laurel Ridge Church – *The regular, ongoing, and leadership nature of this ministry requires a strong commitment to the people and leadership of this church.*
2. Spiritual Maturity – *As stated earlier, this is a leadership-type ministry, and therefore it is important for team members to demonstrate a degree of spiritual maturity and a desire to continually grow deeper in their own relationship with Jesus.*
3. Lifestyle of Purity and Godliness – *Also, because this is a leadership position, it is important to set an example of godliness and purity (1 Timothy 4:12, Ephesians 4 and 5—esp. 4:1, 5:1-4). The church is watching our lives, and we should not demonstrate even a hint of impurity or actions that would be considered inappropriate for Christians in a leadership position.*
4. Musical/ Technical Expertise – *The musicians and tech members need to be skilled enough (and/or able to be trained) to follow and keep up with the musical/technical demands of the service. The goal is to “limit” obstacles and distractions in our worship services that can arise from poor execution, etc.*
5. Time Commitment – *Rehearsal times and Sunday morning preparation are mandatory and expected. In addition, there may be seminars, special retreats, etc. that require your attendance. Current practice times: Thursday evenings (7:00-8:45pm) and Sunday mornings (8:00-9:00am).^a*
6. Support of Family – *It is important and preferred that a worship/tech team member's immediate family be willing to accept the necessary time commitment and be supportive of the individual's ministry.^b*
7. Ability to “Flow” with the Team – *It is important to the dynamics, ministry and morale of the group that all team members strive to work effectively with one another and under the leadership of the worship minister. God hates discord among His people (Proverbs 6:16-19) and loves unity (Psalm 133:1-3).*

a. Emergencies and other needs tend to arise occasionally. As a “rule of thumb,” please inform the worship minister or rehearsal leader of necessary absences.

b. In certain instances, flexibility and grace may need to be extended here. These instances will be handled on a case-by-case basis through communication with the worship minister (and/or other ministers, if necessary).
