SUNDAYS

We now offer an outdoor experience during our service! Join us for our live broadcast while enjoying the breeze and palm trees.

In December, 2020, we hosted our first Christmas at the Movies!

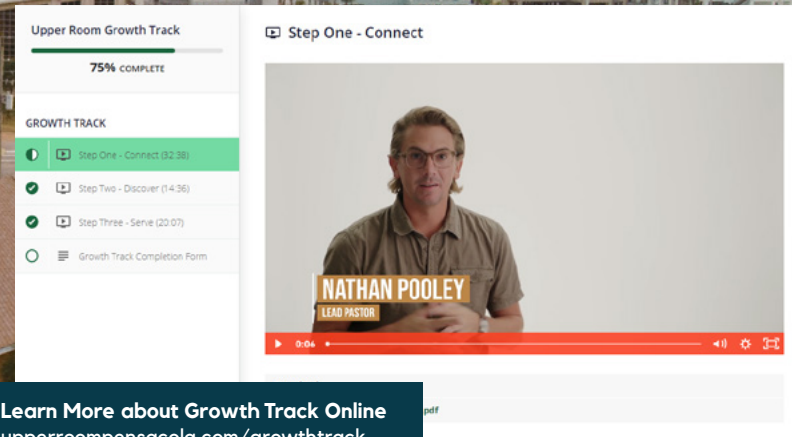

What a great time it was, pulling biblical truths out of Christmas movie classics! During Christmas at the Movies and Easter on the Island we added a 10ft by 8ft LED wall in our Courtyard area for overflow seating.

GROWTH TRACK

Growing the church!

100% of our new volunteers did GT online this year! The Upper Room Team worked countless hours to bring Growth Track to you at home! Thankfully, we were able to bring it back in person as well in the Fall of 2021!

CHURCH OFFICE

Upper Room was able to secure our own office space in 2021!

Our offices are located at 95 Bay Bridge Drive in Gulf Breeze. This space has allowed for growth within our internal team, private spaces for counseling and other ministry, a place for small groups to meet throughout the week, and it has also provided work space for entrepreneurs within our church family. In 2022, we will be adding additional office space, within the same office complex, to further accommodate our ministry staff needs.

UR KIDS

2021 was an incredible year for UR Kids!!!

We are proud to provide a fun, safe and creative experience for the next generation to find Jesus and help them build their faith foundation.

We were blessed to use Orange Curriculum which is an awesome tool for worship and messages. Our team also created an environment for our kids to have worship, listen to a brief message, make a craft, and play a game while their parents are being poured into!

Upper Room Youth

EASTER

The Beach Church and Upper Room hosted an incredible Easter Egg Hunt on Saturday April 3rd! It was a morning full of face painting, balloon animals, bouncy houses, and some healthy egg hunt competition!!

GOD'S WONDER LAB! VBS

July 18th to July 23rd, the Beach Church and Upper Room hosted an unforgettable 5-day Vacation Bible School!! Each day the kids got to enjoy a fun opening and closing with Dr. Wobbles, a snack and craft with meaningful stories behind it, outside games, and a storytelling skit!! On the last day, we had a water day & pizza to bring the special week to an end!!

INTO THE NEXT YEAR

LOOKING FORWARD

In 2022, our top priority is legacy. We believe that legacy is created when we build a church that is positioned to do great things after we are gone. In order to do that we have to be intentional now and invest in strategic areas.

PERMANENCE

We are so thankful for the places we have called home over the last four years. We are still actively pursuing a permanent church home. This will provide much needed opportunities for our long-term vision and plans for the Upper Room Church family.

MULTIPLICATION

We are thankful for the opportunity to not only invest in church plants every year but to also be the catalyst for new ones. Be looking out for opportunities to get involved and see God multiply who He is, and what He is doing at Upper Room Church! We believe there should be a life-giving church in every community.

FAMILY COUNSELING

At Upper Room Church, we have a vision to provide family counseling with a specialized emphasis on adolescents. We have seen this as a great need within our local community and feel called to step up to help serve these needs. We have a partnership with the Children and Family Development Center and have secured a location in Gulf Breeze Proper, where we will begin to provide this service to our church family, community, and all those in need.
