

SOAP Daily Devotion – complements the sermon for 7.19.2020

Monday – 2 Corinthians 1:3-4

Have you experienced comfort from godly people who have gone through difficulties? If so, describe it. (Consider sending them a note or a text telling them.)

What troubles have you been comforted through that you could help others with?

Tuesday – Philippians 4:6-9

In your experience, how does rejoicing and gratitude influence your sense of peace? How does that compare to what these verses tell us?

List at least one thing that fits each of the things we are encouraged to think about. Take one minute to read through and meditate on the list.

Test it: Read through (and add to if you'd like) your list throughout the day. Reflect on how it affects your sense of peace.

Wednesday – 1 Peter 5:7

Cast all your anxieties on Jesus. Prayerfully write down all your anxieties. Give them to Jesus in prayer. "Jesus, I believe you care for me. I cannot carry these, but you can. I give them to you. Thank you for taking them for me."

Thursday – James 1:19; Proverbs 18:13

Are you a quick to listen or quick to speak? How does that affect your home life, work life, friendships?

Which kind of person would you rather talk to about your troubles?

Friday – Revelation 21:3-5

What is most appealing to you about this?

We live between the now and the not yet. How is God making this true today?
