

Easter Sunrise Craft

Supplies you'll need:

- ☐ Paper Plate, any size (1 per child)
- ☐ Paint, Crayons or Colored Pencils
- ☐ Black Construction Paper
- ☐ Glue or Stapler
- ☐ White Crayon or Pen (optional)

Instructions:

1. Instruct children to color a sunrise on the paper plate, starting with yellow, then adding orange, red, purple and finally blue.
2. Fold black construction paper in half and cut out crosses (or precut, depending on age).
3. Attach black construction paper to paper plate using a stapler or glue (we used staples).
4. Optional: Write a Bible verse or "He is Risen!" on the bottom of the black construction paper.
