The church's original and intended operating system turned the world upside down for Jesus Christ (Acts 17:6). It was built upon the powerful simplicity of **Great Commandment Living empowered by Great Commandment Love (GC2)** (Matthew 22:37–40, 28:19–20).

In short, it was simply living out Christ's NEW COMMANDMENT: **"A new commandment I give unto you that you love one another even as I have loved you"** (John 13:34).

REBOOT MINISTRY VISION:

To mentor pastors and Vision Teams in:

- Taking their church to the next level in discipleship, outreach and missions
- Planting churches that last—and make disciples who make disciples

Imagine ENGAGING CHURCHES in the Called2Love Journey of:

- Growing your church younger
- Passing on faith to next generations
- Looking more like your neighborhood
- Engaging Jesus-followers in missional living

REBOOT STRATEGY:

Design a 12–18 month relational journey for pastors and their Vision Teams of staff/laity to:

- Personally live out a Called2Love testimony of loving like Jesus—beginning at home
- Reshape church culture based upon twelve, GC2 principles
- Deepen caring connections as a ministry team, seeking to extend the life, love and impact of Jesus into community transformation and global witness
- Develop fresh perspectives on church mission, vision and values which help take any church to the next level
- Incorporate Spirit-empowered discipleship outcomes as foundational to sermon and small group planning, Bible study and evangelism, ministry and mission strategies
- Replicate the REBOOT training principles and experiences with your church leadership team through:
 - Live Stream / Video content
 - Preaching / Teaching moments
 - Staff / Team Meeting content
