

Online Registration Information for Audit Students

- The application for admittance to True North College does not need to be submitted by students who are taking a course for audit. An audit student only needs to submit this Online Registration Information for Audit Students form when he or she takes an audit course for the first time.
- A student who has already submitted an Online Registration Information for Audit Students form does not need to submit it again when taking a future course for audit.
- The application fee of \$20 is waved for audit status students.
- If and when audit status students want to take courses for credit, they will need to make application for admittance to True North College, pay the \$20 application fee, and be accepted to the College before they can enroll in a diploma or certificate program.
- Along with filling out this Online Registration Information for Audit Students form, audit students must receive and sign the TNC Student Handbook that documents the general policies of True North College regarding the expectations of student behavior and the implementation of academic rules. Prospective students must be willing to submit to these expectations and rules. It is understood that signing the Student Handbook is a declaration that the student is aware of and agrees to submit to the expectations and rules that are applicable to him or her as an audit student (many of the particular rules and policies are only applicable to admitted students who take courses for credit).
