IT'S ALL ABOUT THE MEAT

Mo's Pit BBQ started in 2007, but its roots began a decade earlier. Founder and current Pit Master, Kevin Morrissey (Mo), owned a pizza shop from 1988-1999. One day in 1997, Kevin picked up a copy of the cookbook *Smoke and Spice: Cooking With Smoke, The Real Way to Barbecue*, and was hooked.

Kevin went to work developing different recipes for BBQ sauce, coleslaw, beans, rubs, marinades, and brines. He bought a small smoker and set out to hone the craft of pit-smoked meat. Kevin smoked numerous batches of ribs and gave samples to customers of his pizza shop.

In 2006, Kevin bought a van and a mobile smoker and Mo's Pit BBQ was born. Mo's Pit BBQ was founded on the principles that people appreciate good, homemade food, friendly service, and fair prices in a clean atmosphere.

In April 2018, Mo's Pit BBQ moved to 5600 Newport Road where it continues to uphold these principles every day.
