**BUSINESS AS UNUSUAL** - A proven, equipping strategy for business owners or any leader in the workplace, designed to make positive impact on employees, customers and clients.

BAU principles have been effectively integrated into a wide variety of for-profit and non-profit organizations, and are based upon well-researched studies by Gallup, Harvard Business and the Social Sciences with specific focus on:

- **INCREASING EMPLOYEE ENGAGEMENT**
- **INCREASING CUSTOMER LOYALTY**
- **IMPACTING YOUR ORGANIZATION'S METRICS**

During this training, you will join a BAU cohort, where you will be equipped to:

- Develop adequacy in how to apply BAU principles and resources in the workplace.
- Apply a well-tested, 4G Growth model of personal accountability, team-building and strategic focus that provides sustainable impact.
- Translate and test these principles and resources in YOUR organization as you prepare to serve as a Business As UNUSUAL Champion in your organization and beyond!
