The church's original and intended operating system turned the world upside down for Jesus Christ (Acts 17:6). It was built upon the powerful simplicity of **Great Commandment Living empowered by Great Commandment Love (GC2)** (Matthew 22:37–40, 28:19–20).

In short, it was simply living out Christ's NEW COMMANDMENT: **"A new commandment I give unto you that you love one another even as I have loved you"** (John 13:34).

### REBOOT VISION:

To train trainers in 2019 who have a heart to:

- Take their own church to the next level in Great Commission/Great Commandment Living
- Help other pastors and their church teams to do the same

### REBOOT STRATEGY:

Design a 12–18 month relational journey for pastors and their teams of staff/laity to:

- Personally live out a Called2Love testimony of loving like Jesus—beginning at home
- Reshape church culture based upon twelve, GC2 principles
- Develop initiatives as a church community, to live out an identity of being Called2Love like Jesus, across generations and beyond our comfort zones
- Deepen caring connections as a ministry team, seeking to extend the life, love, and impact of Jesus into community transformation and global witness
- Develop fresh perspectives on church mission, vision, and values which help take any church to the next level
- Broaden missional engagement of members into neighborhoods, schools, the marketplace, and communities
- Incorporate Spirit-empowered discipleship outcomes as foundational to sermon and small group planning, Bible study and evangelism, ministry and mission strategies
- Replicate the REBOOT training principles and experiences with your church leadership team through:
  - Livestream / Video Content
  - Preaching / Teaching Moments
  - Staff / Team Meeting Content
  - REBOOT MINISTRY Trainings in your community — in partnership with:
