This package is premised on the basis that the excursion membership package is available or diving in areas where there are at least suitable medical facilities, including a recompression chamber facility or at least where these can be reached realistically. It is not suitable for areas where evacuation is almost impossible and there are no recompression facilities. Please also note that any evacuation to South Africa or the country of residence within Southern Africa implies that all cover ceases on arrival in the country of residence.

## FEES & PAYMENT DETAILS

Temporary membership can only be taken for five consecutive days at a time and is applicable to worldwide diving. This is only available to persons diving outside of their country of residence. This includes South Africans diving outside of South Africa and visitors diving in the Southern African region.
