Comments:

This package is premised on the basis that the excursion membership package is available or diving in areas where there are at least suitable medical facilities, including a recompression chamber facility, or at least where these can be reached realistically. It is not suitable for areas where evacuation is almost impossible and there are no recompression facilities. Please also note that any evacuation to South Africa or the country of residence within Southern Africa implies that all cover ceases on arrival in the country of residence.
