

About Us

TecMation is high-tech manufacturers' representative agency serving TX, OK, AR, LA, TN, MS, and AL.

Product categories:

Motion control
AC, DC, & BLDC drives
Precision mechanical
Automation

Design Services:

Custom mechanical design
Solid modeling
Control panel construction

Contact Us:

Phone: 972.955.4100

Corporate Address:

PO Box 20981, Waco, TX 76712

POSITAL FRABA

- Incremental Encoders
- Absolute Encoders
- Kit Encoders
- Linear Sensors

- High Performance Servo Drives
- Highly Dynamic Servo Motors
- Machine Interfaces

- High Performance Motion Controllers
- 1-128 Axes of Seamless Control
- EtherCAT, Sercos, SLM, and RTEX interfaces
- Anybus-CC Module

TecMation LLC

technical solutions for automation

TecMation

Vendors Represented

- DC Controls
- Variable Frequency Drives
- Brushless Controls
- Chassis, NEMA 1, NEMA 12, NEMA 4X

- Actuators
- Stainless Food Grade Actuators
- Planetary Roller Screws
- Grooved Roller Bearings

- Ballscrews
- Actuators
- Linear Rail Systems
- Support Units

- Stepper Motors & Controls
- Servo Motors & Controls
- Motion Controls
- Gearheads
- Integrated Steppers
- Integrated StepSERVO

- Heavy Duty Ballscrew Actuators
- Stainless Food Grade Actuators
- Extreme Speed Actuators
- Rollerscrew Actuators

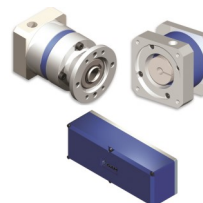

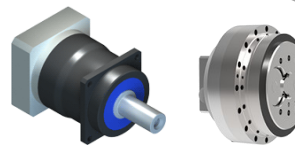

- Switching & Measuring Sensors
- Safety Products
- Barcode-RFID Identification
- Data transmission

- Rack & Pinion Systems
- Gear Racks
- Pinion Gears
- Servo Reducers
- Linear Actuators
- Lubrication Systems

- Planetary, Hypoid, Helical, Spiral Bevel Gearing
- Couplings—Safety, Servo, Torque Limiting, and Distance Couplings
- Universal Actuator Linear Mount Adapter Kits

- Belt Driven Actuators
- Screw Driven Actuators
- Multi-Axis Robotics
- Custom Gantries
- 7th Axis Robot Transports
