

About Us

TecMation is high-tech manufacturers' representative agency serving TX, OK, AR, LA, TN, MS, and AL.

Product categories:

Motion control
AC, DC, & BLDC drives
Precision mechanical
Automation

Design Services:

Custom mechanical design
Solid modeling
Control panel construction

Corporate Address:

PO Box 20981, Waco, TX 76712

TecMation LLC

technical solutions for automation

Vendors Represented

- DC Controls
- Variable Frequency Drives
- Brushless Controls
- Chassis, NEMA 1, NEMA 12, NEMA 4X

- Planetary Roller Screws
- Grooved Roller Bearings
- High Force Actuators
- Custom Roller Screws and Gearboxes

- Belt Driven Actuators
- Screw Driven Actuators
- Multi-Axis Robotics
- Custom Gantries

- Stepper Motors & Controls
- Servo Motors & Controls
- Motion Controls
- Gearheads
- Integrated Steppers
- Integrated StepSERVO

- Precision Gearboxes, Gears, and Machined Components
- Custom Electro-Mechanical Assemblies
- Custom Design & Manufacturing Services
- FDA & Aerospace Compliant—ISO13485, AS/EN 9100 Series, ISO9001

- Incremental Encoders
- Absolute Encoders
- Kit Encoders
- Linear Sensors
- Inclinometers

- Rack & Pinion Systems
- Gear Racks
- Pinion Gears
- Servo Reducers
- Linear Actuators
- Lubrication Systems

- Heavy Duty Ballscrew Actuators
- Stainless Food Grade Actuators
- Extreme Speed Actuators
- Rollerscrew Actuators

- High Performance Servo Drives
- Highly Dynamic Servo Motors
- Machine Interfaces

- Actuated Linear Guide Systems
- Manual Guide Systems
- V Groove Bearings
- Rotary Guide Systems

- Switching & Measuring Sensors
- Safety Products
- Barcode-RFID Identification
- Data transmission

- High Performance Motion Controllers
- 1-128 Axes of Seamless Control
- EtherCAT, Sercos, SLM, and RTEXT interfaces
- Anybus-CC Module for Flexible Factory Comms
