

The Exchange exists to see people exchange their old life for new life in Christ and live out their purpose.

The Exchange Building is available for use outside of ministry related events to Covenant Members in good standing. The building must be reserved at least two weeks in advanced and is subject to approval by the appropriate person(s) within the staff and/or Advisory Board. If usage is approved specific guidelines for usage and cleaning of the building after the event will be provided.

Only certain types of events are allowed at The Exchange Building outside of ministry related events. The event types allowed are Weddings, Wedding/Bridal Showers, Baby Showers, Funerals, and any other events deemed acceptable by the appropriate person(s) within the staff and/or Advisory Board.

Events expressly not allowed at The Exchange Building: Wedding Rehearsal Dinners, Wedding Receptions, and Birthday Parties.

Events previously approved may be requested to change dates or locations due to, but not limited to, ministry related events, weather conditions, or local, state, or federal health regulations.
