## CAREERS IN GEAR EVENT

On April 27th, the 10th, 11th, and 12th grade students went to “Careers in Gear” at the Jackson County Expo. This event was meant to provide youth in Southern Oregon the opportunity to explore employment opportunities in the our area. Schools from all over the Rogue Valley came out to view all the careers.

The number and variety of the exhibitors was impressive.

Some of the favorite parts of the day were drawing blood from a fake arm, seeing all the trucks and cars, and making connections for potential internships.

There was a generous amount of free merch and food that everyone loved taking advantage of.

The favorite exhibitors were Dutch Bros, Pacific Bible College, the *Mail Tribune*, Pacific Power, and the fire fighters.

Kyler found Todd from Oregon Tech very informative and helped him realize that this college was a very probable post high school option for him.

Emily also found that she would love to be in the medical or hands on technology fields.

Some students realized that college wasn’t such a scary option while others learned more about their potential future career.

There was a lots of exhibitors ready to hire students for summer jobs.

Overall, everyone had fun and enjoyed the time away from school.

Thank you to Mr. Powell, Mr. Givens, Mrs. Anuschat, Mrs. Barnett, and Mrs. Crume for driving.

From Mrs. Wicks:  
Thank you students for making this the most relaxing field trip I have even been on!

## Dear Stephanie...

Dear Stephanie

I have a brother, who is two years younger than me. He is a jerk and never leaves me alone and is always bugging me and my friends. I want to like my brother, but he is such a pain. Help!

- Annoyed Brother

Dear Annoyed Brother,

I know that sometimes little siblings can be hard to deal with. The advice I would give is to hang out with your brother more at home. Mostly little kids do that to their older siblings when they don’t get a whole lot of attention at home. Another thing you could do is to ask him to stop and if he won’t then just keep being as nice as you can to him. It’s not fun guaranteed but it will be much more effective then just ignoring him or yelling at him to go away.

# Creative Corner

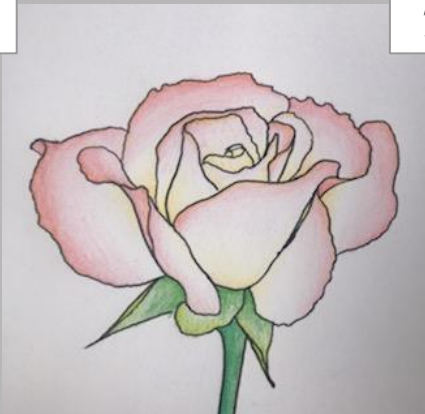

Fun Facts!!  
 Lilies are highly toxic to cats. The Chocolate Cosmos is a flower that actually smells like chocolate. The pH of the soil determines the color of hydrangeas. White flowers smell more than colored ones do.
