

2018 H2O Awards Nomination Form

Instructions

1. Complete the nomination form for a KIA funded project. Be sure to explain why the project deserves the H2O Award and how it follows one or more of the following criteria:

H2O Awards Evaluation Criteria

- **Sustainable Infrastructure Development:** The project components support sustainability including but not limited to climate resiliency, community sustainability, green infrastructure, and water and energy efficiency.
- **Efficiency, Regionalization, and Best Practices:** The project improved the efficiency of the utility, promoted regionalization, and/or implemented best practices in design, construction, and implementation.
- **Water Quality, Public Health, and/or Economic Benefits:** The project has demonstrated or has anticipated measurable benefits for water quality, public health, and/or the economy.
- **Innovative Design, Technologies, Partnerships, Financing, and Restoration:**
 - a) The project design employs a sophisticated approach in addressing water quality and/or treatment;
 - b) The project was funded with a creative financing mechanism that aligns with the community's needs or allows a project to be funded where funding would otherwise not be available;
 - c) Partnerships were used to bring stakeholder groups together to leverage financing options, address regional treatment needs, or foster collaboration in the community; and/or
 - d) The project cleaned existing sites (i.e. brownfields) or restored habitats.

2. Email the nomination form, supporting documents, and at least two high resolution photographs of the project to jocelyn.gross@ky.gov by **5:00 p.m. (ET) June 15, 2018**.
