**SENIOR  
MEALS**

## **COVID-19 RESPONSE SENIOR MEAL SERVICES INFORMATION**

### **HOT MEALS DAILY**

During this time, the Lake Cumberland Area Development District is working to ensure that every senior over the age of 60 years has the opportunity to obtain a meal Monday-Friday. All Senior Citizen Centers within our district are offering a drive-up hot meal for the seniors in our community at no cost. Any new senior not currently enrolled will be asked to provide basic demographic information upon their first pick-up.

The Lake Cumberland Area Development District has a Senior Citizens Center conveniently located in each county within our 10-county area. If you have additional questions about our hot-meal drive-up service, please contact the center in your area using the numbers listed below.

# HOME DELIVERED MEALS

The Lake Cumberland Area Development District is also working to ensure that every senior over the age of 60 years that is isolated with no means of transportation or no family support has the opportunity to obtain a meal Monday-Friday. For seniors with these difficulties, we are providing a home-delivered meal service. To limit contact with meal recipients during these uncertain times, we are delivering frozen meals once weekly. Each meal recipient will receive five frozen meals weekly.

If you are a senior who is isolated with no means of transportation or no family support, or are aware of a senior who is isolated with no means of transportation or family support, please contact the Aging and Disability Resource Center at (270) 866-7092 or (270) 866-4200.

If you have any additional questions, please feel free to reach out to the Senior Center in your area or by emailing Jeric DeVore, Director of Senior Services, at [jeric@lcadd.org](mailto:jeric@lcadd.org).
