CEF
CHILD EVANGELISM
FELLOWSHIP[®]

Reaching children worldwide™

The purpose of *Child Evangelism Fellowship*® is to evangelize boys and girls with the Gospel of the Lord Jesus Christ and to establish (disciple) them in the Word of God and in a local church for Christian living. We recognize the privilege and the responsibility this brings to all involved in our organization.

There is no more sacred trust given than being entrusted with precious children. *Child Evangelism Fellowship* takes seriously our stewardship of protecting children in our care. We are acutely aware that those who would hurt children will seek affiliation with Christian ministries to gain access to children. Therefore, we must be diligent, ensuring that thorough screening applies to every person working with children in *CEF*.

Also, we must do everything possible to protect our volunteers and staff from false accusations.

Parents entrust their children to us for nurture, safe care, and wise leadership. It is imperative that there are guidelines and procedures in place that will protect children and provide peace of mind and confidence to parents, volunteers, and staff.

POLICY

Child abuse is defined as any verbal abuse, online abuse, sexual abuse, sexual exploitation, or infliction of injury. Examples of sexual abuse are: rape, incest, sodomy, lewd or lascivious behavior which includes wrong types of speech, inappropriate use of communication devices or touching.

In order to protect the child from abuse and our workers from false accusations, the following steps must be taken.

1. Always provide adult supervision for children in our care.
2. Two-worker (minimum) rule: Two *CEF* workers, paid or volunteer, must be present at any *CEF* activity where children or minors are present including online or by phone.
 - a. Never be alone with a child/children in any setting.
 - b. Never be alone with a minor in any setting, unless the minor's parent has signed a waiver.
3. Ensure that all rooms where ministry is taking place are accessible (not locked) with a window in the door or the door left wide open. There should be no private conversations, texts or online chats.
4. Report to supervisory staff all suspicious or inappropriate behavior between any *CEF* worker and a child or minor.
 - a. Supervisory staff must complete R-9 (see USA Operations & Policy Manual) and investigate incident immediately.
5. Supervisory staff must make random visits of *CEF* sponsored activities.
6. Overnight activities sponsored by *CEF* involving children or minors must be approved by the local or state director and the local committee or state board.

- Always be under the direct supervision of an adult.
- Never be supervised by a single individual (adult or minor).

- Never serve as one of the two individuals in the two-worker policy requirement.

Criminal Background Check Screening Rules

This statute is to be communicated with each staff and volunteer so every CEF worker is aware of his/her responsibility in regard to reporting possible child abuse. Any knowledge of suspected abuse should only be shared as is absolutely necessary or as determined by the statute. Having knowledge, even secondhand, may result in the person with the knowledge becoming a mandatory reporter.

Non-Citizens Applying to Serve in USA

Anyone who represents *CEF* must have a Social Security number to be effectively screened. Anyone not having a Social Security number is ineligible to work in *CEF*.

U.S. Citizen Serving Outside Home Ministry Area

Anyone representing *CEF* visiting outside his home ministry area who has been screened according to *CEF* standards does not require rescreening.

Previous screening must be verified by receipt of the Screening Procedures Checklist Form.

Keeping Records

The state board is responsible for the security and confidentiality of Child Protection Policy records. All CPP records must be permanently maintained in a locked, confidential file, located in a secure place determined by the state board. Employees/volunteers may have a copy of their records released using a Permission to Transfer Screening Information Form. Handle electronic records the same as paper; state must have access.
