

## **John – Small Group Study Week Fifty-Two**

**Verses for the week: John 19:1-16**

### **Questions:**

1. The anger and hatred of the Jews for Jesus is clearly evident in this passage. Why do you think they hated him so much? Are we seeing a similar reaction to Jesus today? Is the reason today the same as then?
2. In this passage, Pilate clearly wanted to believe, but it appears he could not. What kept him from believing?

What can we learn from Pilate in this passage?

**Quote of the week:** True faith manifests itself through our actions. Francis Chan
