

John – Small Group Study Week Forty

Verses for the week: John 13:21-30

Questions:

1. In Verse 21, it says, “Jesus was troubled in his spirit.” What does this mean? Was Jesus concerned, worried, sad, hurt? How does Jesus being “troubled” make you feel?
2. Was Judas controlled by Satan (see Verse 27 that says, “Satan entered into him”) or by his own greed? Is there a difference between the two?
