

John – Small Group Study Week Thirteen

Verses for the week: John 5:1-17

Questions:

1. Does the scene of "blind, lame, and paralyzed" in these Verses remind you of any similar scenes of our day?

If so, what can we learn from this passage?

2. Why do you think the man went to tell the Jews who healed him, as Verse 15 describes? Were his intentions good or bad?

Quote of the week: Christ is never precious so long as the world seems glorious. As we begin to relish sweetness in Christ, so the world begins to be bitter. Isaac Ambrose
