Questions:

1. In Verse 2, God commands Joshua to circumcise the sons of Israel. Why did the sons of Israel need to be circumcised?

What is the significance of circumcision, both generally **and** specifically to this event described in Chapter 5?

2. In Verses 13-15, it says Joshua encountered a man, with sword drawn, who said he was the “commander.” Who do you believe is this “commander?”

Why do you think the “commander” appeared to Joshua at that time?
