

Week Nine

Great People of the Bible: Nehemiah

Suggested Scripture (not all inclusive): Book of Nehemiah

Questions:

1. Why was King Artaxerxes so kind and helpful to Nehemiah?
2. How would you describe Nehemiah? What were his traits?
3. Rebuilding the wall was a team effort. It involved many families doing their part (see Chapter 3) and required prayer and perseverance (see Chapters 4-6). The ground mission in Jerusalem began with Nehemiah and "a few men" (Verse 2:11). What can we learn from this?

Quote of the week: Surely what a man does when he is taken off his guard is the best evidence for what sort of man he is. CS Lewis
