

Week Thirteen

Great People of the Bible: Paul

Suggested Scripture (not all inclusive): Acts, Romans, most of the remaining New Testament

Questions:

1. When they stoned Stephen Acts 7:58 says, "the witnesses laid down their garments at the feet of a young man named Saul." Why do you think God (through the writer Luke) makes note of Saul being there?
2. While much has been said and written about Paul's thorn and the famous Verse 12:9 in 2 Corinthians, what do you think Paul's discussion of the thorn and that Verse is all about?
3. Paul, who was maybe the greatest church planter of all time, was one of the greatest missionaries, and wrote most of New Testament (including four books from prison), advanced the gospel throughout his time and the ages. What is the one thing you think propelled Paul's ministry more than anything else, other than Christ?
