

*Park County Historical Society Presents*

# **The Founding Of South Park City**

If you have ever visited South Park City in Fairplay, you know know it is a “living history museum” that reflects the history and pioneer life in Park County. The story of how it began is a story of a passion and vision to save and preserve that history for generations to come. The founding of South Park City involved seemingly impossible feats of moving the buildings, gathering tens of thousands of artifacts, and participating the Rush to the Rockies celebration which coincided with opening day in 1959.

**Saturday, July 24**  
6:00 pm

Platte Canyon Fire Station  
153 Dellwood Drive  
Bailey, CO 80421
