

*Park County Historical Society*

3rd Annual

# **GOLD PANNING ADVENTURE**

**Saturday, August 24**

We will meet at McGraw Memorial Park in Bailey at 9:00am and make our way across South Park to Como (Carpool if possible). We'll meet at the Como Civic Center at approximately 9:45am.

From there, we will head towards the Indian Mountain panning area on Tarryall Creek. This year we will be downstream from where we panned last year on Tarryall Creek. PCHS founder Harold and Lenore Warren's Grandson, Bill Douthette, will again show his gold panning/prospecting technique. We will also view other old mining endeavors from the past nearby.

Bring your own gold pan. We only have a few to share.

Call 303-838-7740 for more information.
