**Robert Schoppe, President,
Denver South Park & Pacific Historical
Society**

Bob was born in Philadelphia and enlisted in the Navy right after High School, retiring at the rank of commander 27 years later. In 1999 Bob joined Frontier Airlines as a pilot and retired from that profession in 2017. He has been a "railfan" since childhood and has been a member of the Denver South Park & Pacific Historical Society since its founding in 1998, serving as president since 2012. Bob moved to Fairplay, Park County, in 1998 and has been involved in the restoration efforts in Como since 2008. Bob also serves on the Boards of 4 other historical organizations. Education: MBA in Business Administration, Webster University, 1994.

Cliff notes version: Retired Navy pilot, retired Airline pilot and never-to-be-retired railfan
