You too can help save a bit of history!

Behrden Lodge  
in Pine Valley Ranch Park

How do you choose  
what  
to help save?

Barnett Cabin

The Paris Mill is located on the eastern slope of the Mosquito Range in Park County. Construction of the Mill was completed in 1895 to service the Paris Mine high above Buckskin Gulch on Mount Bross.

#### Bio:

Andy Spencer is the Executive Director of the South Park National Heritage Area. He is also the Director of the Department of Heritage, Tourism and Community Development for Park County. He has over 25 years of experience working in a variety of environmental and heritage-based non-profits as well as owning and managing his own for-profit business. Originally from England Andy has a degree in Archaeology & History and a Master's degree in Heritage Management. He has lived in Conifer for over 15 years and is the proud parent of Caelan, a University of Denver freshman. In his spare time Andy loves the great Colorado outdoors and his German Shepard, Rook.
