The Park County Historical Society will host a tour of historic sites along Tarryall Road on Sunday, July 7.

We will meet at McGraw Park in Bailey at 9:00 and drive (carpool recommended) to Jefferson, where we will meet participants from the South Park side at approximately 9:30-9:45. From there we will head up Park County road 77/Tarryall Road. We will make stops at Bordenville and its cemetery, then onto the town of Tarryall. We will also visit a cave near Lake George, with a very intriguing story!

After lunch we will have other options to view in the area. Come along for another adventure with the PCHS! Live history!
