THE PROBLEM

Hurricane Irma magnified the affordable housing crisis in Monroe County.

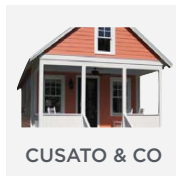

THE SOLUTION

Get started by developing privately funded permanently affordable rental housing.

THE PLAN

Assemble a team of leading national experts to execute the vision; fundraise to support the plan; seek public/private partnership to grow project.

ABOUT THE TEAM

Cusato & Co. develops innovative housing solutions for disaster rebuilding and workforce housing, founded by Katrina Cottage designer Marianne Cusato.

Cypress Community Development Corp., a not for profit housing development firm built 450 Katrina Cottages in Louisiana through FEMA funding.

The Florida Housing Coalition, the foremost affordable housing advocate in Florida, provides training and technical assistance
