

GENERAL PARTNER

Qualifications:

- Meets the qualifications set forth in the Network manual and the vision of the ministry is embraced by the Network Apostolic Team.
- Has an active board that embraces the Hopewell Network values and carries personal liability. The Network has authority over the board and can help define vision.

Status Provides:

- Benefit of full Apostolic oversight, counsel and network participation.
- Benefit of the Network being available to assist the leader/ministry in times of transition. (Assets forwarded to the Network if the ministry is dissolved.)
- Benefit of materials, training, fellowship and mission opportunities.
- Benefit of the primary leader attending and supporting the Network meetings as much as their schedule allows. Also invited to attend para-church group leaders' meetings.
- Benefit of member discounts for events.
- Benefit of credentials. The primary leader is credentialed by the Network. In some cases, the role might not require credentials.
- Benefit of posting a ministry link and information on our website.

Status Requirements:

- Provide adequate communication with proper representation of the Network.
- Provide the Network with an annual report of the ministry's activities, progress, and general health, including a financial report when applicable.
- Commits to tithe one half to the Network and one half to their local church.
