

Renewal of Credentials

There will be a two-year term for a pastoral license and a five-year renewal date on ordination credentials.

Ordination cards will expire on the year ending in 0 or 5. Those who continue to meet the qualifications for ordination will automatically have their cards renewed for another five years.

Those who qualify for continued ordination are those who fit one or more of the following criteria:

- Leads a Hopewell Network Church
- Attends the monthly Hopewell Network Pastors' Meetings, if geographically practical
- Attends a Hopewell Network Church
- Has some arrangement of accountability and contact with one of the Network Apostolic Team Leaders (or local Network pastor if it is a local church ordination)

Those no longer pastoring a church and desiring to maintain their Hopewell Network ordination are expected to give half of their tithe to the Network and half of their tithe to the local church they are attending.
