Questions, call: 949-547-6664 before June 14th.

This past year has been a challenge for many teachers and students. Yet, challenge can be the origin of change. If you want to continue to change, to hone your practice, to transform your craft, I passionately recommend that you read *Made for Learning: How the Conditions of Learning Guide Teaching Decisions* by Debra Crouch and Brian Cambourne. This book will remind you of why you were called to become an educator."

CRA Reader Reviewer, Dr. Stacy Griffin
