FROM THE PRINCIPAL'S CHAIR

It was an impressive turnout to the working bee on Tuesday and a lot of good work was done. The track is looking great as we build towards the event. Everyone will be contacted by a Home and School member about how they would like to support the Papakaio8Hour event in March.

The children seem happy to be back at school and they have settled in well with their teachers. Routines are quickly being re-established.

Tonight we have the first Board of Trustees meeting for the year and we will be looking at our strategic plan for the year. Continue feeding in your ideas and suggestions.

Thanks to the Kane family for dropping off some topsoil for our playground.

YEAR 8 PARENTS – HPV VACCINATION

On Wednesday 12th February at 10am Lindsay Oakes, Oamaru Public Health Nurse, will be at school to talk about the HPV Vaccination. This is free for Year 8 students, so come along if you would like to learn more.

At Papakaio we believe in the power between school and home partnership. On Wednesday February 20th at 6:30pm we are having our Meet the Teacher evening.
This is a child friendly evening so you may bring the kids and come as a whole family.
6:30 - In the Hub Mr Shirley the Principal will introduce the staff and welcome everyone.
6:45 - The families with junior students go to Whare Iti for a junior presentation. Seniors are able to meet with their respective teachers informally in their rooms.
7:05 - The seniors give a combined presentation in the Hub. The junior teachers are available for informal discussions.
This will be followed by our Home & School Meeting at 7.45pm. Please consider staying on for this.
As a school we would really appreciate a full attendance to this event.

PAPAKAIO 8 HOUR - 16 MARCH

The countdown is on with only five weeks to go. The committee is working hard in the background to make this event a success.

As a school community it is time to mobilise.
