FROM THE PRINCIPAL'S CHAIR

This year our focus is on moving beyond reading and writing and lifting our learning in science and social studies. Along with this we have a draft plan re buildings, curriculum and much more. We would really appreciate your feedback so our school reflects you as a community. Please go to https://goo.gl/forms/WGdB5sFQXWglwHim1 and have your input.

Please book in your time/s to come to school and talk about your child's learning during the student led conferences on the 2nd and 4th of April. School will close at 2pm on both of these days to allow time for interviews. The buses will run an hour earlier. If this is an issue for you please let the office know and we will provide supervision at school until 3pm but they will need to be picked up from school.

Unfortunately we are unable to participate in the touch tournament this year as there is too much happening in school and not enough parent volunteers.

Today the senior rooms walked a short portion of the Papakaio 8 Hour track for a special blessing ceremony. This was led by Anne Dodds from Morven Marae who provided a Waiata.

PARENT INTERVIEWS/STUDENT LED CONFERENCES

Tuesday 2nd of April and Thursday 4th of April we will be holding our student led conferences.
The purpose is for children to share their learning and their goals for the year and for teachers, parents and students to all work together in supporting learning.
Here is the link to book your sessions;
https://www.schoolinterviews.co.nz/code the event code is – **yp37b**
Our aim is to have 100% of families attend. We believe this is one of the best ways we can work together to support your child's learning.

ROOM 4 ASSEMBLY

Room 4 are currently making a baking book for their 4P project. Our fabulous parent helpers have been coming in to school to help bring the recipes to life.

When Room 4 hosted assembly last Friday it only made sense to make it a 'Kids Masterchef' theme. We had our fantastic judging panel take a look at some of the recipes made so far. Even Mr Brown and Miss Cochrane snuck themselves some baking but got busted on camera! Thanks Room 4 for such a funny assembly.
