FROM THE PRINCIPAL'S CHAIR

Thanks for the good turn out to Meet the Teacher. Our teachers are always keen to work closely with families. Having a good understanding of how school is organised helps you understand what's going on.

Today we had a series of severe sewerage malfunctions starting with a pump failure and culminating in a serious leak on the main field. In Room 6 this is referred to as a Code Brown. Typical Papakaio response; a group of seniors cleared the field, gathered cones and standards and in a matter of minutes it was all under control.

Consultation – We, the Board, would like your opinion on whether we have developed our school strategic plan in line with our community's priorities. Please fill in this short questionnaire before Wednesday 27th February https://goo.gl/forms/WGdB5sFQXWgIwHim1

BEWARE OF BIKES

The great news is more children are biking to school. The challenge for us as a community is we need to look after them on the road.
For drivers; slow down and go wide when you pass bikers.
For bikers; wear a helmet, wear bright clothing, when a car is coming from behind get off and stand well off the side of the road and wait until the last bus has left before riding home. That way the bulk of the traffic will be gone.

PAPAKAIO 8 HOUR - 16 MARCH

The countdown is on with only three weeks to go. The committee is working hard in the background to make this event a success.
As a school community it is time to mobilise.

1. Consider entering a team or taking part. Please push entries through your social circles.
   Families are asked to commit to at least one of the following:
   a. Set Up – Working the day before getting things in place
   b. On the Day – Working on the event and helping out on the day
   c. Pack Down – Tidying up and putting away the following day

WHARE ITI 2 & 3 ASSEMBLY

Whare Iti 2 & 3 have been very busy in the three weeks of school we have had so far. They have already created some beautiful art that was on display at the Hurst's House and Garden Tour and learnt lots about the Treaty of Waitangi. They also taught us about the "Power of Yet"!

STRIDE, RIDE & SLIDE - SUNDAY 24 FEBRUARY 2019

Stride, Ride & Slide is a multisport event for children aged 2-6 years old, which gives them the opportunity to participate in their very own multisport event.

Children run, ride, and waterslide to complete the short multi-stage course as their first introduction to triathlon.

Children will have a blast running past the crowd, riding their bikes around the bends, and splashing onto the Slip and Slide, past the fire truck, to the finish line!

You can register your child/children online before **12.00pm Saturday 23 February** or alternatively you are more than welcome to register on the day. On the day registrations will open from 9.30am. Those who have pre-registered go in the draw to win a major spot prize of a bike. This is a very special prize draw for those who pre-register online before Saturday noon.
This year we will also be having a best-dressed bike competition, one winner from each age group, so either come with your bike already decorated or there will be decorations available on the day for a gold coin donation.
Visit the Sport Otago website and register your mini triathlete for their 'big kid' event!

Venue: Takaro Park, Oamaru
Cost: $5.00 per child for online pre-registration or $8.00 on the day.
