

PAPAKAIO SCHOOL

Bring Your Own Device Parent Agreement

I give permission for my child to bring their own digital device to school for use in the classroom learning programme.

I understand (please tick each statement):

- All devices brought to school are my child's responsibility and the insurance for the device is my responsibility.
- That teachers will provide a lockable cupboard in which my child may place their device when not in use. The child is responsible to look after the key. A lost key will incur a \$10 cost. (Keyring and lanyard are supplied)
- The school encourages devices to arrive fully charged but that my child may bring a charger for use during the day if required.
- Devices are only to be used under adult direction e.g. not as an option for playtime.
- Devices brought to school are for the use of my child. Any sharing is at my child's discretion.
- Teachers will encourage the use of personal digital devices whenever it makes for quality learning. Students will be encouraged to use them for homework activities.
- The same rules and policies for school owned devices, will apply to BYODs including adherence to the Copyright act.

I give permission:

- for Staff to check my child's device as needed and to configure it to connect it to Papakaio School's wireless network.

I understand:

Should the device be used in a way that detracts from learning, is inappropriate or offensive the privilege of being able to bring it will be withdrawn.
