

PAPAKAIO SCHOOL

Bring Your Own Device Student Agreement

I understand that being allowed to bring my own device to school is a privilege and with that it brings the following responsibilities.

(please tick each statement that you agree to)

- I will learn what being a good cyber citizen is and put my learning into practice.
- Looking after my device is my responsibility and I will take my best care of it.
- I will lock it away when I am not using it and look after the key. I will pay \$10 to replace the key if I lose it.
- I will usually charge my device at home and bring it ready to go.
- I will only use my device with permission from my teacher e.g. not as an option for playtime.
- I am allowed to share my device but I don't have to. It is my and my families choice.
- I will use my device for learning at school.
- At I will follow the same rules with my device as I should with the school's devices. Like what sites I go to, not copying music etc

I give permission:

- For my teachers to check my device.

I understand:

If I use my device in a mean or inappropriate way or if I break this agreement I will lose my privilege to bring my device .
